

## Field Agriculture, Forestry, and Fisheries

### Republication of *Agriculture* New Zealand qualifications

#### Republished qualifications

Ref	Version	Qualification Title	Credits
2684	2	New Zealand Certificate in Land Based Sustainability Practices	40
2685	2	New Zealand Certificate in Sustainable Primary Production	70

#### Republished information

Qualification Developer	Muka Tangata – People, Food and Fibre Workforce Development Council
Reason for the republication	Deferral of the scheduled review dates
Review date	30 June 2025
Outcome date	30 June 2025
Next review date	31 December 2026

#### Summary of republication process

Muka Tangata will undertake a review of the land-based sustainability qualifications beginning in June 2025. The scheduled review dates of these qualifications have been changed to allow time for the review to be completed and the new versions of the qualifications to be published.

#### Main changes resulting from the republication

The scheduled review date for version 2 of both qualifications has been deferred from 30 June 2025 to 31 December 2026.

The contact information for the standard setting body was updated.

Hyperlinks were included in references to Acts and other resources.

#### Any additional information, including Qualification Developer contact details.

It is the intention of Muka Tangata - People, Food, and Fibre Workforce Development Council that no existing trainee should be disadvantaged by these transition arrangements. Any person who considers they have been disadvantaged may appeal to:
