Summary of development/review and consultation process
<p>The New Zealand Certificate in Locksmithing (Trade) (Level 4) [Ref: 2718] was reviewed in July 2021, and version 2 published. Version 1 of the qualification has a last date of assessment of 31 December 2025.</p> <p>Programme development for version 2 has been delayed due to a lack of Level 4 standards registered on the NZQCF (DASS). Skill standard development is required by Hanga-Aro-Rau to address this.
