Reviewed qualification

Ref	Version	Qualification Title	Credits
2467	2	New Zealand Certificate in Artificial Insemination of Livestock (Level 4)	45

Development/Review information

Qualification Developer	Muka Tangata – People, Food and Fibre Workforce Development Council
Reason for the review	Scheduled five-yearly review
Review date	March 2025
Outcome date	May 2025
Next review date	December 2028

Summary of development/review and consultation process
<p>In 2024, Muka Tangata undertook sector consultation about the New Zealand Certificate in Artificial Insemination of Livestock (Level 4). The qualification is offered by one provider. The provider and industry representatives from the wider sector indicated that they were aware of no significant issues with the qualification structure or content. It was determined fit for purpose.</p> <p>Muka Tangata has scheduled a reduced timeframe of December 2028 for the next review. This will align the qualification review schedule with the review of relevant unit standards in dairy, equine, and porcine artificial insemination.</p>

Main changes resulting from the development/review process
<p>There were no substantial changes resulting from the review.</p> <p>Minor changes we made for currency.</p> <p>A reference to the Biosecurity Act 2015 was corrected to refer to the Biosecurity Act 1993.</p>
