#### Summary of review and consultation process

In 2024, Muka Tangata - People, Food and Fibre Workforce Development Council undertook sector consultation about the New Zealand Certificate in Tuberculosis (Tb) Testing of Livestock (Level 3) with strands in Cattle, and Deer [Ref: 2369]. The qualification is offered by one provider. The provider and industry representatives from the wider sector indicated that they were aware of no significant issues with the qualification structure or content. It was determined to remain fit for purpose.

#### Main changes resulting from the development/review process

There were no substantial changes resulting from the review.  
Minor changes included, award and programme conditions, formatting and grammatical.  
A new review date was set.  
A transition date for superseded version was not required, due to the minor nature of changes.
