Reviewed qualification

Ref	Version	Qualification Title	Credits
4187	1	New Zealand Certificate in Concrete Production (Level 4) with strands in Batching, Dispatching, and Concrete Testing (with optional strand in Tensile Testing)	70-100

Review information

Qualification Developer	Waihangā Ara Rau Construction and Infrastructure Workforce Development Council
Reason for the development/review	Scheduled qualification review
Review date	March 2025
Outcome date	May 2025
Next review date	May 2030

Summary of review and consultation process
<p>Waihangā Ara Rau, representatives from the concrete industry, and the provider reviewed the New Zealand Certificate in Concrete Production (Level 4) from March to April 2025. The qualification review was the scheduled five-yearly review.</p> <p>The advisory group with representatives from the concrete industry and the provider gave feedback and confirmed the qualification remains fit for purpose.</p> <p>This feedback informed the qualification review outcome and only minor changes were made to update the qualification content.</p> <p>Consultation documents and information about the review were published on the Waihangā Ara Rau Workforce Development Council Website throughout the review period.</p>

Main changes resulting from the development/review process
<p>No changes were made to the Graduate Profile. Minor changes to the qualification specifications and transition information were made to amend the general conditions and to reflect changes to dates and version.</p>
