

Field Manufacturing

Review of *Meat Retail Butchery* unit standards

Subfield	Domain	ID
Meat Processing	Meat Retail Butchery	16103-16106

Hanga-Aro-Rau Manufacturing Engineering and Logistics Workforce Development Council has completed the review of the unit standards listed above.

Date new versions published

May 2025

Planned review date

December 2029

Summary

The butchery unit standards listed above were inadvertently omitted from earlier submission of C60785. These unit standards have been reviewed to ensure they continued to be fit-for-purpose for the butchery industry and to better align these unit standards to the training requirements relating to butchery and Halal butchers. The review was carried out through regular online meetings with industry, providers, and subject matter experts whose feedback and input were considered and included.

Main changes

- Unit standards were updated and streamlined to better reflect current industry requirements and practices.
- Guidance information was updated.

The last date for assessment of superseded versions of Category B unit standards is December 2027

Detailed list of unit standards – classification, title, level, and credits

All changes are in **bold**.

Key to review category	
A	Dates changed, but no other changes are made - the new version of the standard carries the same ID and a new version number
B	Changes made, but the overall outcome remains the same - the new version of the standard carries the same ID and a new version number
C	Major changes that necessitate the registration of a replacement standard with a new ID
D	Standard will expire and not be replaced

Manufacturing> Meat Processing > Meat Retailing

ID	Title	Level	Credit	Review Category
16103	Process beef carcasses to produce meat cuts	4	25	B
16104	Process poultry carcasses to produce meat cuts	4	5	B
16105	Process pork carcasses to produce meat cuts	4	14	B
