

## **Field Agriculture, Forestry and Fisheries**

## Registration of *Livestock Husbandry* skill standard 41023

Muka Tangata – People, Food and Fibre Workforce Development Council has registered the *Livestock Husbandry* skill standard listed below.

**Date new version published** November 2025

**Planned review date** December 2030

## Summary

Muka Tangata has consulted with hoof care specialists, veterinary specialists, and representatives from the dairy industry and providers to develop a skill standard and micro-credential in hoof trimming for cattle. Development meetings took place July to August 2025.

## Main changes

- Skill standard 41023 was developed to meet an identified gap in learning and assessment.

## **Detailed list of standards – classification, title, level, and credits**

All changes are in **bold**.
