Republished qualification

Ref	Version	Qualification Title	Credits
3721	3	New Zealand Certificate in Electricity Supply (Network Control) (Level 4)	145

Republication information

Qualification Developer	Waihanga Ara Rau Construction and Infrastructure Workforce Development Council
Reason for republication	Extension of last date of assessment
Review date	October 2025
Outcome date	October 2025
Next review date	December 2028

Summary of consultation process
<p>The only provider with a programme leading to New Zealand Certificate in Electricity Supply (Network Control) (Level 4) [Ref: 3721] requested the extension of the last date of assessment of superseded version 2 after a recent programme review. Current learners may be disadvantaged by transferring to the programme leading to Version 3 of the qualification because of the significant differences in the programmes.</p> <p>Industry representatives agreed with the extension of the last date of assessment of Version 2 to 31 December 2027.</p>

Main changes resulting from the republication process
<p>The last date of assessment for superseded version 2 was extended from 31 December 2025 to 31 December 2027.</p>

Any additional information, including Qualification Developer contact details.

<p>It is anticipated that no existing learners will be disadvantaged by these transition arrangements. However, anyone who considers they have been disadvantaged may appeal to the qualification developer:</p> <p>Waihanga Ara Rau Construction and Infrastructure Workforce Development Council PO Box 445 Wellington</p> <p>Phone: 04 909 0174 Email: qualifications@waihangaararau.nz Website: www.waihangaararau.nz</p>
