Registration of *Generic Infrastructure Works* skill standards

Waihanga Ara Rau Construction and Infrastructure Workforce Development Council has developed the 10 skill standards listed below.

Date new versions published

October 2025

Planned review date

December 2030

Summary

10 skill standards were developed in response to industry feedback, which identified a need for training and credentials for streetscape paving. These standards will be set into a new qualification, the New Zealand Certificate in Streetscape Paving (Level 4) [Ref: 5456].

Development of these standards was carried out with industry throughout 2025. Consultation was conducted through online meetings, targeted emails and open consultation on Waihanga Ara Rau's website. Feedback received was reviewed and incorporated into the draft skill standards.

Main changes

- 10 new skill standards were developed.

Detailed list of standards – classification, title, level, and credits

Engineering and Technology > Infrastructure Works > Generic Infrastructure Works

ID	Title	Level	Credit	Review Category
40904	Select materials for streetscape paving	4	10	New
40905	Plan streetscape paving work	4	10	New
40906	Set out and prepare for streetscape paving	4	20	New
40907	Prepare subgrade and lay basecourse layers for streetscape paving	4	20	New
