

Registration of *Ecological Management* skill standards

The Toi Mai Workforce Development Council has completed the development of the skill standards listed below.

Date published **September 2025**

Planned review date **December 2030**

Summary

Two skill standards were developed in response to industry feedback which identified a need for training and credentials for people considering entry-level roles in conservation.

Development of the standards was carried out with industry practitioners throughout 2024 and 2025. Feedback was obtained through open consultation on Toi Mai's website and incorporated into the draft skill standards. Feedback received was reviewed and incorporated into the skill standards.

Main changes

- Two new skill standards were developed.

Detailed list of standards – classification, title, level, and credits

Sciences > Environment > Ecological Management

ID	Title	Level	Credit	Review Category
40885	Carry out a conservation activity	3	15	New
40886	Manage self in a conservation activity as part of a team	3	15	New
