Guidance Information

1 Definitions

Tikanga and kawa – the basic principles underpinning tikanga are common, but while there are some constants, the details of performance of tikanga, and their explanation, may differ. These differences may be at a rohe, iwi, hapū, whānau, or marae level. The context of the learning should include the tikanga of the local mana whenua (if capable) but learning others' tikanga is also encouraged. This is in order to enrich and enhance understanding of tikanga, and the associated reo.

Kawa are the protocols or customs of the marae (and inside the wharenuī); particularly those related to formal activities such as pōwhiri, karanga, whaikōrero etc. *Kawa* can be particular to marae, and may vary amongst whānau, hapū, and iwi.
