## Guidance Information

- Learners undertaking assessment against this unit standard are expected to comply with the following rules and legislation, and any subsequent amendments –
  - Health and Safety at Work Act 2015
  - Health and Safety in Employment Regulations 1995
  - Racing Rules of Sailing and YNZ Safety Regulations of Sailing 2017-2020.

- Definitions

*Class rules* refer to a set of rules and regulations prescribed by the International Sailing Federation, which state the standard requirements for producing, modifying, maintaining, or repairing a boat or its components including sails. The rules and regulations apply to racing and recreational sailing, and are administered locally by Yachting New Zealand. Yachting New Zealand's website is <https://www.yachtingnz.org.nz>.

*Workplace policies and procedures* refer to the documented procedures and policies providing guidelines of the tasks and activities carried out in the workplace. This typically includes relevant health and safety requirements to manage risk in the workplace.

---

## Outcomes and performance criteria

### Outcome 1

Prepare tools, equipment, and materials for sewing in the sailmaking industry.

### Performance criteria

- 1.1 Tools, equipment, and materials are prepared in accordance with job specifications and workplace policies and procedures.
