Guidance Information

1 Definitions

*Customer* may include but is not limited to – internal customers, external customers, guests.

*Customer interactions* may include but are not limited to – face to face, by telephone, by e-mail, by social media. Interaction is the activity of being with and talking to other people and the way they react to each other.

*Customer service* – any actions taken by a person to meet the needs and expectations of the customer.

*Retail environment* – workplaces where the primary focus is on customers purchasing goods or services.

*Workplace procedures* refer to the applicable procedures found in the following: workplace performance guidelines and standards; manufacturer’s procedures and specifications; and Government and local body legislation.

2 Any relevant Acts, regulations, and bylaws must be complied with during assessment against this standard.

3 Evidence is required for two customer interactions. This unit standard can be assessed against in a simulated situation that reflects a realistic workplace environment.
