Guidance Information

Definitions

Brief of evidence refers to a document that clearly outlines all admissible evidence that a witness can give about the matter before the court.

Legislative requirements include the rules of evidence as covered by the Evidence Acts 1908 and 2006 and the Interpretation Act 1999 and, depending on the role of the person for whom credit is being sought, may include but are not limited to – Human Rights Act 1993, Privacy Act 1993, Health and Safety in Employment Act 1992, Dog Control Act 1996 (including by-laws contained in section 20), and Biosecurity Act 1993.

Organisational requirements refer to instructions to staff on policy and procedures which are documented in memo or manual format and are available in the workplace. These include the application of legislation.

With supervision refers to the situation whereby the trainee develops and implements an action plan to establish, collect evidence, and write a report for a compliance breach in consultation with the supervisor.

Outcomes and performance criteria

Outcome 1

Establish a compliance breach with supervision.

Performance criteria

- 1.1 Provisions of the law that relate to a compliance breach are identified in accordance with organisational requirements.
- 1.2 Compliance breach is established in accordance with organisational requirements.

1.3 Establishment of a compliance breach is verified by the supervisor.

Outcome 2

Collect evidence to verify a compliance breach with supervision.

Range evidence includes but is not limited to – interview of complainant, alleged offender, witnesses; physical evidence; observational records.

Performance criteria

- 2.1 Information required to substantiate a possible compliance breach is identified in accordance with organisational requirements.
- 2.2 Information collected is admissible in a judicial hearing in accordance with legislative requirements.
- 2.3 Evidence is collected in accordance with organisational requirements and the rules of evidence.
- 2.4 Evidence of a compliance breach is verified by the supervisor.

Outcome 3

Complete compliance breach documentation with supervision.

Range documentation includes but is not limited to – evidence, summary of facts, recommendations.

Performance criteria

- 3.1 Collected evidence is documented in accordance with organisational requirements.

Range requirements include but are not limited to – completeness; accuracy of dates, times, and sources; case history; impact report.
- 3.2 The brief of evidence links the offence and the alleged offender to the compliance breach.
- 3.3 The report includes recommendations on action to be taken in accordance with organisational requirements.

Range recommendations may include but are not limited to – prosecution, issue of compliance notice, discussion, negotiation with alleged offender.
- 3.4 Compliance breach documentation is verified by the supervisor.

This unit standard is expiring. Assessment against the standard must take place by the last date for assessment set out below.
