Classification	Compliance and Law Enforcement > Compliance and Regulatory Control
-----------------------	--------------------------------------------------------------------

Available grade	Achieved
------------------------	----------

Guidance Information

Legislation applicable to this unit standard includes but is not limited to – Sale of Liquor Act 1989, Local Government Act 1974, and Local Government Act 2002.

Outcomes and performance criteria

Outcome 1

Demonstrate knowledge of alcohol and its effects.

Performance criteria

- 1.1 Properties of alcohol are described in terms of its physical characteristics and its effects on the body systems and brain.
- 1.2 Signs and symptoms of alcohol use and overuse are described.

Range	physiological, psychological; at least three signs and three symptoms each of use and of overuse.
-------	------------------------------------------------------------------------------------------------------
- 1.3 Recognised safe intake limits are described in terms of consumption of standard drinks.
- 1.4 Factors which moderate safe intake limits of alcohol are identified in terms of quality and quantity.

- 1.5 Host responsibility requirements are justified in terms of the properties of alcohol, and factors which moderate safe intake limits of alcohol.

Outcome 2

Demonstrate knowledge of other agencies involved in the enforcement of the Sale of Liquor Act 1989.

Range Police, NZ Fire Service, Medical Officer of Health.

Performance criteria

- 2.1 Purpose of liaison with other agencies is identified.

Range individually, jointly.

- 2.2 Knowledge of role of other agencies and areas of shared responsibility is demonstrated in terms of the legislation.

Range inspection, enforcement.

- 2.3 Process for dealing with compliance problems in accordance with legislation and agreements between enforcement agencies is demonstrated.

Outcome 3

Conduct an inspection of a licensed premise.

Range at least five licensed premises.

Performance criteria

- 3.1 Compliance with the conditions of the license is determined.

- 3.2 Management practices present which encourage liquor abuse are identified.

- 3.3 Management practices present which encourage responsible drinking are identified.

- 3.4 Management changes required to maintain license are identified.

Outcome 4

Implement a plan to promote host responsibility in a licensed premise identified by the territorial authority as in need of reform.

Performance criteria

- 4.1 A licensed premise is assessed in terms of host responsibility.
- Range includes but is not limited to – house policies, availability of food, availability of non-alcoholic beverages, intoxicated patrons, disorderly behaviour.
- 4.2 Action planned includes all of the components of host responsibility derived from the legislation, establishes and justifies at least three priorities for a particular licensed premise, and involves other enforcement agencies in ways appropriate to their enforcement role.
- 4.3 Approach used to implement the plan is appropriate to the situation.
- Range includes but is not limited to – target or targets, resources available.
- 4.4 At least three changes in the behaviour of the licensee/manager and staff following the implementation of the plan are verified.
- Range may include but is not limited to – food consumption increases, range of non-alcoholic beverages increases, promotions do not encourage excessive drinking, number of patrons intoxicated is reduced by 50%, alternative transport arrangements exist, no unaccompanied minors are present, absence of disorderly behaviour.

This unit standard is expiring. Assessment against the standard must take place by the last date for assessment set out below.
