------------------------	----------

### Guidance Information

- 1 This unit standard must be assessed against on-job.
- 2 Range  
Competence may be demonstrated for either railroad fabric or standard direction fabric. The cutting plan produced must be for either an armchair or settee.
- 3 Definitions  
*Railroad fabric* starts its weave on one selvedge and weaves across to the other selvedge.  
*Standard direction fabric* starts its weave at the beginning of the roll and weaves along to the end of the roll.  
*Worksite policies and procedures* refer to documented policies and to documented or other directions provided to staff. These may include, but are not limited to, ways of managing health and safety, environmental considerations, quality, and production, and must conform to legislation. Examples include standard operating procedures, company health and safety plans, on-site briefings, and supervisor's instructions.
