### Guidance Information

- 1 Assessment information  
This unit standard may be assessed against on-job or off-job.  
Job specifications and simple drawings must conform to current commercial industry practice.  
All activities and performance criteria must be carried out in accordance with worksite policies and procedures.
- 2 Range  
Drawings may be of items of furniture or furniture components and may include but are not limited to – bedside cabinets, tables, dining chairs, chair legs, table legs, desks, beds.
- 3 Drawings must be completed by hand or using a computer aided drawing system (CAD).
- 4 Definition  
*Worksite policies and procedures* refer to documented policies and to documented or other directions provided to staff. These may include, but are not limited to, ways of managing health and safety, environmental considerations, quality, and production, and must conform to legislation. Examples include standard operating procedures, company health and safety plans, on-site briefings, and supervisor's instructions. For the purposes of this unit standard worksite policies and procedures may also refer to the policies and procedures of an off-job training site.

---

### Outcomes and performance criteria
