### Guidance Information

- 1 Definitions of Māori words will be those relevant and in common usage in a hauora context and/or local iwi or hapū.
- 2 For the purpose of this unit standard, traditional practices are determined by service providers or entities that operate within a hauora context.
- 3 Definitions  
*Hauora* refers to the appropriate practices associated with the holistic wellbeing of an individual as a member of a whānau, hapū, and iwi.  
*Hauora context* refers to hauora service provision for Māori.  
*Indigenous treatment* refers to application and practice.  
*Māori hauora practices for treatment* refers to application and practice.  
*Traditional* for this unit standard, refers to pre-1945.  
*Treatment of te tinana* refers to treatment for illness (disease, ailment, or malady), and unintentional injuries, but not surgery.
- 4 Legislation and conventions relevant to this unit standard may include but are not limited to: the Health and Safety at Work Act 2015; *Standards for Traditional Māori Healing* (Wellington: Ministry of Health, 1999); and the Health and Disability Commissioner (Code of Health and Disability Services Consumers' Rights) Regulations 1996 and any amendments.
- 5 Descriptions and explanations can be presented in a number of ways that may include but are not limited to; oral presentations, visual presentations, written presentations, whakaari, waiata and haka.
- 6 All sources of information must be referenced.
