----------------	------------------------------------------------------------------------------------------------------------------------------------------------------

Classification	Te Ara Hou ki te Ora > Hauora
-----------------------	-------------------------------

Available grade	Achieved
------------------------	----------

Guidance Information

- 1 Definitions of Māori words will be those relevant and in common usage in a hauora context. However, the local iwi and/or hapū must verify the local dialect.
- 2 Definitions

Hauora means the appropriate practices associated with the holistic wellbeing of an individual as a member of a whānau, hapū, and iwi. For the purpose of this unit standard, these practices are determined by service providers or entities that operate within a hauora context.

Hauora context refers to hauora service provision for Māori.

Whānau for this unit standard is inclusive of tūroro.

Kaimahi refers to community workers working with tūroro.

Personal safety refers to physical safety, emotional safety, and spiritual safety.
- 3 Workplace practices and procedures refer to the documented procedures of the hauora service provider and must comply with current industry standards and relevant government legislation.
- 4 Legislation and conventions relevant to this unit standard may include but are not limited to: Health and Safety at Work Act 2015; Health and Disability Commissioner (Code of Health and Disability Services Consumers' Rights) Regulations 1996; *Standards for Traditional Māori Healing* (Wellington: Ministry of Health, 1999); and any amendments.
