Guidance Information

- Where local rohe are also occupied by whanau, hapū, and/or iwi, the tangata whenua or mana whenua view should take precedence. Other iwi or hapū views should be encouraged in order to enrich and enhance understanding of key Māori concepts and practices.
- Assessment against this unit standard can be conducted in a number of ways that may include but is not limited to – oral presentations, visual presentations, written presentations, whakaari, haka, whaikōrero and waiata.
- Definitions**

Clothes/Clothing refers to worn garments that were made from rākau Māori.

Implements refers to tools used by Māori in their daily lives.

Rākau Māori refers to indigenous tree species of Aotearoa.

Tikanga Māori in relation to this unit standard refers to the practices and processes associated with the selection and preparation of rākau Māori used for the manufacturing of clothing, whare, waka and implements.

Waka refers to a type of canoe.

Whare refers to a type of building used to house particular objects/people.
