Outcomes and performance criteria

Outcome 1

Identify and describe legislation that discriminates against Māori.

Range evidence of three pieces of legislation is required.

Performance criteria

- 1.1 The description includes the reasons for the introduction of the legislation.

Range reasons can include but are not limited to – demand for Māori land; racism and double standards; desire to obliterate Māori cultural beliefs; benevolent desire to improve the lot of Māori.
- 1.2 The description compares legislative requirements for Māori and non-Māori.

1.3 The description details the impact and effects of the legislation on Māori.

Outcome 2

Describe institutional and personal racism in relation to Māori.

Performance criteria

2.1 The description details forms of institutional racism against Māori.

Range institutional racism may include but is not limited to – racism in schools; racism in the health service; racism in sport; evidence of two effects is required.

2.2 The description details forms of personal racism against Māori.

Range personal racism may include but is not limited to – employment opportunities; property rental situations; judicial prejudice; educational prejudice; evidence of two effects is required.
