 - and all subsequent amendments and replacements.
- 3 This unit standard applies to both new roof and re-roofing installations.

- 4 Range
- a Candidates must refer to current legislation and Standards during assessment.
 - b Demonstration of safe working practices are essential components of assessment of this unit standard.
 - c All activities and evidence presented for all outcomes and performance criteria in this unit standard must be in accordance with:
 - i legislation;
 - ii policies and procedures;
 - iii ethical codes;
 - iv Standards – may include but are not limited to those cited in the New Zealand Building Code Hand Book;
 - v applicable site, enterprise, and industry practice; and,
 - vi manufacturers' instructions, specifications, and data sheets.

Outcomes and performance criteria

Outcome 1

Demonstrate knowledge of two types of concrete or clay roof tile elevators.

Performance criteria

- 1.1 Identify types and outline the characteristics of tile elevators used in the concrete or clay roof tiling industry and explain reasons for the use of each.

Outcome 2

Maintain tile elevators.

Performance criteria

- 2.1 Carry out maintenance work on tile elevators to enable them to function in accordance with manufacturers' specifications.

Outcome 3

Locate and set up elevators to load a roof.

Performance criteria

- 3.1 Set up elevator in a location that provides the best available roof loading point.
- 3.2 Ensure that the elevator is stable to minimise risk of injury to the operator or others or damage to the site.

Outcome 4

Load tiles onto roof.

Performance criteria

- 4.1 Avoid damage to the tiles, the prepared roof, and structural elements of the roof by ensuring that loading, receiving, and distribution of tiles are in accordance with manufacturers' loading specifications.
- 4.2 Remove surplus material and leave roof and site in a tidy and safe condition that allows any further work to be carried out safely.

This unit standard is expiring. Assessment against the standard must take place by the last date for assessment set out below.

Status information and last date for assessment for superseded versions
