------------------------	----------

Guidance Information

- 1 Definitions
Shop drawings refers to the set of drawings associated with a building project to be made in a controlled environment, and can include plans, elevations, sections, details or any other drawings that give information about the project.
Workplace practice refers to the documented procedures specific to a workplace which set out the standard and required practices of that workplace.
- 2 Credit for this unit standard indicates compliance with industry practice. *Industry practice* refers to the ability to demonstrate knowledge and skills that reflect the productivity, uniformity, finish quality, and material economies currently accepted within industry.
- 3 Legislation and publications relevant to this unit standard include:
 Health and Safety in Employment Act 1992 and Health and Safety in Employment Regulations 1995;
 Building Act 2004;
 New Zealand Building Code.
