Explanatory notes

1 Definitions

Salon refers to a hairdressing salon where the salon is registered under the Health (Registration of Premises) Regulations 1966.

Salon environment may be a workplace and/or training salon.

Expectations of the salon environment refer to the documented and/or accepted work practices within that salon. They may include instructions from senior co-workers.

Salon requirements refer to salon practices and processes and include industry and legislative requirements contained in:

Section 11 of the Health (Hairdressers) Regulations 1980;

NZ Association of Hairdressers Inc., *Guide to Occupational Safety and Health for the Hairdressing Industry*, Auckland, 1997 at

<http://www.osh.dol.govt.nz/order/catalogue/ipp.shtml>

Privacy Act 1993, Health and Safety in Employment Act 1992, Human Rights Act 1993, Smoke-free Environments Act 1990, and subsequent amendments; enterprise fire and emergency policies and procedures, and Fire Safety and Evacuation of Buildings Regulations 2006.

Stylist refers in this unit standard to any salon operator who is or will be working on clients within the salon environment.

Senior co-workers may include but are not limited to senior stylists, supervisors, salon trainers, and managers.

Service to follow may include but is not limited to: colouring, haircutting, blow waving.

Workstation refers to back wash basins or styling stations within the salon.

2 Salon requirements must be adhered to for all aspects of this unit standard.

3 Range

Evidence is required for client protection for three different services to follow.

Outcomes and evidence requirements

Outcome 1

Prepare the client for hairdressing services in a salon environment.

Evidence requirements

- 1.1 Client is ushered to the appropriate workstation in accordance with the expectations of the salon environment.
- 1.2 The service to follow is determined in accordance with the expectations of the salon environment.
- Range may include but is not limited to – discussing with the stylist, checking the record card.
- 1.3 Client protection is selected according to the service to follow in accordance with the expectations of the salon environment.
- Range may include but is not limited to – towel, neck strip, cape.

Outcome 2

Protect the client for hairdressing services in a salon environment.

Evidence requirements

- 2.1 Client protection for the service to follow is applied in accordance with the expectations of the salon environment.
- Range may include but is not limited to – towel, neck strip, cape.
- 2.2 Client protection is checked throughout service in accordance with the expectations of the salon environment.

Outcome 3

Remove client protection at the completion of hairdressing services in a salon environment.

Evidence requirements

- 3.1 Client protection is removed as directed by stylist in accordance with the expectations of the salon environment.
- 3.2 Used client protection articles are disposed of in accordance with the expectations of the salon environment.

Consent and Moderation Requirements (CMR) reference	0020
--	------

This CMR can be accessed at <http://www.nzqa.govt.nz/framework/search/index.do>.

Please note

Providers must be granted consent to assess against standards (accredited) by NZQA, before they can report credits from assessment against unit standards or deliver courses of study leading to that assessment.

Industry Training Organisations must be granted consent to assess against standards by NZQA before they can register credits from assessment against unit standards.

Providers and Industry Training Organisations, which have been granted consent and which are assessing against unit standards must engage with the moderation system that applies to those standards.

Requirements for consent to assess and an outline of the moderation system that applies to this standard are outlined in the Consent and Moderation Requirements (CMR). The CMR also includes useful information about special requirements for organisations wishing to develop education and training programmes, such as minimum qualifications for tutors and assessors, and special resource requirements.

Comments on this unit standard
