| Title | Describe hand feeding and hand feed a population of farmed fin fish | | |
| Level | 3 | Credits | 10 |

| | |
|----------------|--|
| Purpose | People credited with this unit standard are able to: describe the hand feeding of a population of farmed fin fish and hand feed a population of farmed fin fish. |
|----------------|--|

| | |
|-----------------------|-----------------------|
| Classification | Seafood > Aquaculture |
|-----------------------|-----------------------|

| | |
|------------------------|----------|
| Available grade | Achieved |
|------------------------|----------|

Guidance Information

- 1 Legislation relevant to this unit standard includes but is not limited to:
 - Animal Products Act 1999;
 - Health and Safety at Work Act 2015;
 - and any subsequent amendments.
- 2 Definition
Company requirements refer to instructions to staff on policy and procedures that are communicated in an oral or written form. These requirements may include but are not limited to – manufacturers' instructions, company safety requirements, throughput, and industry codes of practice and standards. Company requirements must include legislative requirements.
- 3 The candidate is required to carry out hand feeding for a minimum of five feeds, in a manner that ensures the required growth performance of the population of fish.
- 4 All evidence presented in this unit standard must be in accordance with company requirements.

Outcomes and performance criteria

Outcome 1

Describe the hand feeding of a population of farmed fin fish.

Performance criteria

- 1.1 Describe the characteristics of hand feeding that ensure effective feeding of the population.
 Range evidence of three characteristics is required.

1.2 Describe the indicators that farmed fin fish are actively feeding.

Range evidence of two indicators is required.

1.3 Describe the indicators of farmed fin fish satiation.

Range evidence of two indicators is required.

1.4 Describe the indicators of feed wastage.

Range evidence of two indicators is required.

Outcome 2

Hand feed a population of farmed fin fish.

Performance criteria

2.1 Hand feed a population of farmed fin fish.

Range correct feed type, pellet size, satiation or non-satiation, minimal feed wastage.
