Australian Qualifications Framework Details

Unit of Competency Code	RIINHB201D
Unit of Competency Name	Load, secure and unload drilling equipment and materials
Developer	PwC's Skills for Australia

Guidance Information

- 1 The Australian unit of competency can be accessed using this link [RIINHB201D](#) *Load, secure and unload drilling equipment and materials*. This standard has been listed on New Zealand's Directory of Assessment Standards as part of the Mutual Recognition of Vocational Education and Training Qualifications between Australia and New Zealand and has been endorsed by MITO New Zealand Incorporated (MITO).
- 2 Memorandum of Understanding (MOU)
An MOU has been established between MITO and PwC's Skills for Australia (the Australian Skills Service Organisation for the Mining, Drilling and Civil Infrastructure industry sector). The MOU outlines moderation in New Zealand, the granting of consent to assess against standards to providers in New Zealand and the provision for participation of the New Zealand industry in the review of this standard. This document can be viewed at <http://www.mito.org.nz>. Further information relating to consent to assess against and moderation of this standard is outlined in MITO's Consent and Moderation Requirements (CMR) 0014.

- 3 This standard requires the candidate to already hold the relevant licence for the class of vehicle that will be driven and have demonstrated competence for the type of vehicle to be driven. Credit for Unit 18496, *Demonstrate knowledge and skills for driving a forklift on a road for endorsement F (forklifts)*, and Unit 10851, *Operate a powered industrial lift truck (forklift)*, or demonstration of equivalent knowledge and skills will be required if a forklift truck is to be used. For licensing requirements, refer to Waka Kotahi NZ Transport Agency <http://www.nzta.govt.nz/>.
- 4 All workplace practices must meet recognised codes of practice, documented workplace health, safety and environmental procedures (where these exceed the code) for personal, product, workplace health, safety, and environmental matters, and the obligations required under current law including:
 Health and Safety at Work Act 2015;
 Health and Safety at Work (General Risk and Workplace Management) Regulations 2016;
 Health and Safety at Work (Worker Engagement, Participation, and Representation) Regulations 2016;
 Health and Safety at Work (Mining Operations and Quarrying Operations) Regulations 2016;
 Health and Safety at Work (Hazardous Substances) Regulations 2017;
 Resource Management Act 1991;
 Conservation Act 1987;
 Environment Act 1986;
 and their subsequent amendments.

Planned review date	31 December 2025
