### Explanatory notes

- 1 Legislation to be complied with includes but is not limited to – Sale and Supply of Alcohol Act 2012, Wine Act 2003.
- 2 Evidence for the practical components of this unit standard must either be gathered in the workplace or in a realistic environment where the candidate has to produce product or similar for customers who have the same expectations for quality and timeliness as a paying customer.
- 3 References  
Standard industry texts referred to in this unit standard include but are not limited to: Hay, C., *New Zealand Wine Guide* (Auckland: Hay Publishing, 2014) available at <http://www.nzwinebook.com/>.

---

### Outcomes and evidence requirements

#### Outcome 1

Demonstrate knowledge of wine tasting terminology.

#### Evidence requirements

- 1.1 Wine tasting terminology is described in accordance with standard industry texts.

Range appearance, nose, palate.

#### Outcome 2

Perform a sensory evaluation of wine.

Range evidence is required of sensory evaluation on a minimum of three different white grape varieties and three different red grape varieties;  
may include - one sparkling wine, one dessert wine, one rose.

### Evidence requirements

2.1 The process of wine evaluation is identified in terms of its key components.

Range key components include but are not limited to – characteristics of wine (appearance, aromas, flavours, level of sweetness, acidity, body, tannin, alcohol, finish).

### Outcome 3

Read and interpret labels on wines.

Range information on labels may include but is not limited to – volume, geographic indication, minimum alcohol, grape variety, vintage, country of origin, estate bottle (produce), additives.

### Evidence requirements

3.1 Labels are read and interpreted in terms of the labelling system and wine legislation requirements.

<b>Planned review date</b>	31 December 2021

This CMR can be accessed at <http://www.nzqa.govt.nz/framework/search/index.do>.

### Please note

Providers must be granted consent to assess against standards (accredited) by NZQA, before they can report credits from assessment against unit standards or deliver courses of study leading to that assessment.

Industry Training Organisations must be granted consent to assess against standards by NZQA before they can register credits from assessment against unit standards.

Providers and Industry Training Organisations, which have been granted consent and which are assessing against unit standards must engage with the moderation system that applies to those standards.

Requirements for consent to assess and an outline of the moderation system that applies to this standard are outlined in the Consent and Moderation Requirements (CMR). The CMR also includes useful information about special requirements for organisations wishing to develop education and training programmes, such as minimum qualifications for tutors and assessors, and special resource requirements.
