### Explanatory notes

- 1 This unit standard is based on the unit of competency SIRRRPK008A, *Recommend jewellery products and services*. ServicelQ acknowledges the assistance provided by the Australian Service Industries Skills Council (Service Skills Australia) in permitting the unit of competency to be used as the basis for this unit standard.
- 2 All tasks are to be carried out in accordance with organisational procedures, the organisation being the enterprise carrying out the work.
- 3 Any relevant Acts, regulations, and bylaws must be complied with during assessment against this standard.
- 4 Competency for this standard requires evidence for three different pieces of jewellery.
- 5 Definition  
*Jewellery* includes rings, necklaces, bracelets, chains, brooches, earrings, watches. *Organisational procedures* referred to in this unit standard may include but are not limited to the applicable procedures found in the following: organisational performance guidelines and standards; manufacturer's procedures and specifications; Government and local body legislation.

---

### Outcomes and evidence requirements

#### Outcome 1

Describe the care and maintenance of jewellery.

#### Evidence requirements

This CMR can be accessed at <http://www.nzqa.govt.nz/framework/search/index.do>.

### Please note

Providers must be granted consent to assess against standards (accredited) by NZQA, before they can report credits from assessment against unit standards or deliver courses of study leading to that assessment.

Industry Training Organisations must be granted consent to assess against standards by NZQA before they can register credits from assessment against unit standards.

Providers and Industry Training Organisations, which have been granted consent and which are assessing against unit standards must engage with the moderation system that applies to those standards.

Requirements for consent to assess and an outline of the moderation system that applies to this standard are outlined in the Consent and Moderation Requirements (CMR). The CMR also includes useful information about special requirements for organisations wishing to develop education and training programmes, such as minimum qualifications for tutors and assessors, and special resource requirements.
