----------------	--

Classification	Resource Recovery > Reusable Goods
-----------------------	------------------------------------

Available grade	Achieved
------------------------	----------

Guidance Information

- Information on waste exchanges is available from:
New Zealand Recycling Symbols, at <http://www.wasteminz.org.nz/pubs/ronz-symbols>; regional waste exchanges such as:
WasteMINZ at <http://www.wasteminz.org.nz>.
- Definitions
Company procedures mean the documented methods for performing work activities and includes health and safety, environmental, and quality management requirements. They may refer to manuals, codes of practice, or policy statements.
Reusable goods refer to discarded resources that are able to be recovered without reprocessing or remanufacture. Typically these include clothing, textiles, household items, tools, sports equipment, bric-a-brac, furniture, and exclude motor vehicles and pawned goods.
