-----------------------	-----------------------

Available grade	Achieved
------------------------	----------

Guidance Information

- 1 Legislation relevant to this unit standard includes but is not limited to the Health and Safety at Work Act 2015.
- 2 All evidence presented in this unit standard must be in accordance with workplace procedures.
- 3 Definition
Workplace procedures refer to policies and procedures on safety, operation, and production set down by the employer or host organisation for a fencing activity and includes manufacturer's guidelines for use of equipment and materials.

Outcomes and performance criteria

Outcome 1

Locate the position of, and install, primary and intermediate posts for fencing.

Performance criteria

- 1.1 Locate primary and intermediate post positions in relation to terrain and fence design.
- 1.2 Install primary posts plumb, in line, in accordance with fence design height, and bisecting contour angle.
- 1.3 Install rise posts above fence design height, bisecting contour angle.
- 1.4 Foot posts according to soil type and final fence loading, bisecting contour angle.

- 1.5 Install all intermediate posts in accordance with fence design height, bisecting contour angle.

Planned review date	31 December 2025
