## Guidance Information

### 1 Definitions

*Finished items* refers to items that are manufactured or produced in a marine or composite industry.

*Industry expectations* refers to the expectations an employer has of an employee, usually clearly outlined in a position description and/or workplace policies and procedures or equivalent.

*Workplace policies and procedures* refers to the documented procedures and policies providing guidelines of the tasks and activities carried out in the workplace. This typically includes relevant health and safety policies to manage risk in the workplace.

- ### 2 Regulations and legislation and subsequent amendments for this unit standard include but are not limited to:
- Health and Safety at Work Act 2015,
  - Health and Safety at Work (General Risk and Workplace Management) Regulations 2016.

---
