## Outcomes and performance criteria

### Outcome 1

Demonstrate knowledge of AS/NZS standards and their impact on the selection of marine products.

### Performance criteria

- 1.1 AS/NZS standards are described in terms of their intended purpose and application to marine products.
- 1.2 The use of AS/NZS standards applying to marine products are described as a way of proving compliance with New Zealand maritime rules.

**Outcome 2**

Demonstrate knowledge of Maritime New Zealand rules and their impact on the selection of marine products.

**Performance criteria**

- 2.1 The purpose of the Maritime New Zealand 40 series of rules is described for New Zealand vessels operating commercially.
- 2.2 The requirements for products supplied to commercial vessels are explained in accordance with the Maritime New Zealand 40 series rules.

**Outcome 3**

Identify and describe AS/NZS standards applicable to marine product supply.

**Performance criteria**

- 3.1 AS/NZS standards applicable to marine product supply are identified and their purposes described.

Range at least five standards including NZS 5823.

**Outcome 4**

Demonstrate knowledge of the New Zealand Compliance Plate Certification (CPC) programme.

**Performance criteria**

- 4.1 The intention of the CPC program is explained in terms of quality of design, construction, and applicability to product supply.
