-----------------------	------------------------

Available grade	Achieved
------------------------	----------

Entry information	
Recommended skills and knowledge	Unit 25581, <i>Fit non-sewn upholstery covers to chair frames</i> , or demonstrate equivalent knowledge and skills.

Explanatory notes

- 1 This unit standard must be assessed against on-job.
- 2 Range
Competence may be demonstrated using any upholstery fabric including leather; competence must be demonstrated fitting upholstery covers for either lounge chairs or settees that have all of the following parts – seat sides, seat rails, top rails, curved backs, and shaped arms.
- 3 Hyda tack is commonly used in furniture making. However, similar products may be used in its place for the purpose of assessment against this unit standard.
- 4 Definition
Worksite policies and procedures refer to documented policies and to documented or other directions provided to staff. These may include, but are not limited to, ways of managing health and safety, environmental considerations, quality, and production, and must conform to legislation. Examples include standard operating procedures, company health and safety plans, on-site briefings, and supervisor's instructions.

Outcomes and evidence requirements

Outcome 1

Prepare to fit non-sewn, shaped upholstery covers to lounge chairs or settees.

Consent and Moderation Requirements (CMR) reference	0173
--	------

This CMR can be accessed at <http://www.nzqa.govt.nz/framework/search/index.do>.

Please note

Providers must be granted consent to assess against standards (accredited) by NZQA, before they can report credits from assessment against unit standards or deliver courses of study leading to that assessment.

Industry Training Organisations must be granted consent to assess against standards by NZQA before they can register credits from assessment against unit standards.

Providers and Industry Training Organisations, which have been granted consent and which are assessing against unit standards must engage with the moderation system that applies to those standards.

Requirements for consent to assess and an outline of the moderation system that applies to this standard are outlined in the Consent and Moderation Requirements (CMR). The CMR also includes useful information about special requirements for organisations wishing to develop education and training programmes, such as minimum qualifications for tutors and assessors, and special resource requirements.
