### Guidance Information

#### 1 Definitions

*Materials* include any raw or processed materials that are used in concrete product manufacture.

*Workplace acceptance standards* refers to documented standards that set out acceptable quality standards for that workplace, and may include any relevant New Zealand Standards.

*Workplace practice* refers to the documented procedures specific to a workplace which set out the standard and required practices of that workplace.

2 Credit for this unit standard indicates compliance with industry practice. *Industry practice* refers to the ability to demonstrate knowledge and skills that reflect the uniformity, finish quality and material economies currently accepted within industry.

3 Legislation and publications relevant to this unit standard include:  
 Health and Safety in Employment Act 1992 and Health and Safety in Employment Regulations 1995;  
 Resource Management Act 1991;  
 Hazardous Substances and New Organisms Act 1996;  
 Safety Data Sheets.

### Outcomes and performance criteria

#### Outcome 1

Receive and store materials for concrete product manufacture.

#### Performance criteria

1.1 Materials are received and checked for compliance with workplace acceptance standards, and actions taken in the event of non-compliance are in accordance with workplace practice.

- 1.2 Documentation for inwards goods is completed in accordance with workplace practice.
- 1.3 Materials are stored/stockpiled in accordance with workplace practice.
- 1.4 Actions taken to minimise production downtime when ordered material supply is disrupted or fails, are described in accordance with workplace practice.

**Outcome 2**

Maintain materials for concrete product manufacture.

**Performance criteria**

- 2.1 Material stores/stockpiles are monitored, and actions are taken to maintain required levels in accordance with workplace practice.
- 2.2 Material quality is checked and maintained in accordance with workplace practice.

**Outcome 3**

Complete work operations.

**Performance criteria**

- 3.1 All operations are safely completed, workplace and equipment are cleaned in accordance with workplace practice and environmental safety requirements, and routine maintenance is carried out in accordance with workplace practice.

<b>Replacement information</b>	This unit standard replaced unit standard 12015.
