Available grade	Achieved
------------------------	----------

Guidance Information

- 1 Assessment conditions
Evidence for the theory components of this unit standard must be gathered in a health or wellbeing setting.
- 2 Assessment notes
Evidence generated for assessment against this standard must be in accordance with organisational policies and procedures.
- 3 Definitions
Health or wellbeing setting includes but is not limited to: the aged care, acute care, community support, disability, mental health, rehabilitation, social services and youth development sectors.
Organisational policies and procedures are the policies, procedures, and methodologies used in an organisation. They include legislative and regulatory requirements which may apply across an organisation, a specific site, or a workplace. Requirements are documented in organisational health and safety plans, contract work programmes, quality assurance programmes, policies, and procedural documents such as job descriptors and employment contracts.
Person is the individual accessing services. Other terms used for the person may include client, consumer, customer, patient, individual, resident, or service user.

Outcomes and performance criteria

Outcome 1

Identify the appropriate immediate response to the death of a person in a health or wellbeing setting.

Performance criteria
