Guidance Information

Legislation and references relevant to this unit standard include – Health and Safety in Employment Act 1992; Resource Management Act 1991; Hazardous Substances and New Organisms Act 1996; available at <http://legislation.govt.nz>; AS/NZS 2311:2009 *Guide to the painting of buildings*, available at <http://www.standards.co.nz>.

Outcomes and performance criteria

Outcome 1

Demonstrate knowledge of the types of wallcovering.

Performance criteria

1.1 Wallcovering is described in terms of its types.

Range includes – lining paper, vinyl, plain analgypta, flock, composition, borders, linen backed vinyl, metallic foils, photo murals, suede, grass weaves, and other commercial grade materials; evidence of five different types is required.

1.2 Wallcovering types are described in terms of their characteristics.

Outcome 2

Describe the process by which wallcovering is applied to surfaces.

Performance criteria

2.1 The techniques by which wallcovering is applied to surfaces are described.

Range wallcovering techniques include – walls and ceilings, which may be constructed of: set plaster, plasterboard, fibrous plaster, medium density fibre board, fibre cement products; walls may be flat or curved.

2.2 Atmospheric influences that affect drying conditions are identified and described in terms of their effect.

Range includes – temperature, humidity, moisture, pollutants.

2.3 Substrate influences which affect drying conditions are identified and described in terms of their effect.

Range includes – temperature, composition, reactivity.

Outcome 3

Demonstrate knowledge of defects in wallcovering.

Range defects include – bubbling, lifting, peeling, wrinkling.

Performance criteria

3.1 Types of defects in wallpapering are described in terms of their causes.

3.2 Possible causes of action to rectify the defects are identified and described.

This unit standard is expiring. Assessment against the standard must take place by the last date for assessment set out below.

Status information and last date for assessment for superseded versions

Process	Version	Date	Last Date for Assessment
Registration	1	18 August 2011	31 December 2016
Review	2	19 February 2015	31 December 2026
Review	3	24 April 2025	31 December 2028
