Explanatory notes

- 1 Definition
Workplace requirements, for the purposes of this unit standard, refer to any policies, procedures, and requirements of the company and/or workplace involved, and any ethical codes of relevant professional management, which collectively provide a standard that applies to all competent performances in this unit standard. It is assumed that such requirements exist in all companies and/or workplaces.
- 2 All performances in this unit standard must comply with the requirements of: Consumer Guarantees Act 1993, Fair Trading Act 1986, Health and Safety at Work Act 2015, Privacy Act 1993, Health Act 1956, and their subsequent amendments; The New Zealand Association of Registered Beauty Therapists, *Code of Ethics for Members of The New Zealand Association of Registered Beauty Therapists Inc.* (9th ed, April 2009) (Auckland, NZ), and The New Zealand Association of Registered Beauty Therapists, *Health and Hygiene Guidelines* (1st ed, August 2016) (Auckland, NZ), both available from <http://www.beautynz.org.nz>.
- 3 People prone to back problems and/or allergies should give due consideration before undertaking assessment against this unit standard.

4 Range

In all dealings with clients:

- hygiene, sanitation, and safety procedures must be undertaken to accord maximum client safety, in accordance with the Health and Safety at Work Act 2015, including the use of UV sanitisers and autoclaves
- personal presentation, including personal hygiene, must at all times be of a standard that complies with workplace requirements
- care and comfort of the client must be monitored at all times throughout the service
- a posture must be maintained which ensures minimum postural impairment of the beauty practitioner.

Each make-up service (including consultation and product selection, but not including clean-up) must be completed within a 30 minute timeframe.

Make-up services for a minimum of two clients is required for each style of make-up. The two clients must have a defined difference in age, e.g. one teenage to mid-twenties, and one 40 plus.

Make-up styles include – day, night, ball and wedding.

- 5 For skincare services for the face in preparation for make-up application, refer to Unit 27646, *Perform skincare services for the face in preparation for make-up application*.

Consent and Moderation Requirements (CMR) reference	0035
--	------

This CMR can be accessed at <http://www.nzqa.govt.nz/framework/search/index.do>.

Please note

Providers must be granted consent to assess against standards (accredited) by NZQA, before they can report credits from assessment against unit standards or deliver courses of study leading to that assessment.

Industry Training Organisations must be granted consent to assess against standards by NZQA before they can register credits from assessment against unit standards.

Providers and Industry Training Organisations, which have been granted consent and which are assessing against unit standards must engage with the moderation system that applies to those standards.

Requirements for consent to assess and an outline of the moderation system that applies to this standard are outlined in the Consent and Moderation Requirements (CMR). The CMR also includes useful information about special requirements for organisations wishing to develop education and training programmes, such as minimum qualifications for tutors and assessors, and special resource requirements.
