Classification	Joinery > Joinery Core Skills
-----------------------	-------------------------------

Available grade	Achieved
------------------------	----------

Guidance Information

- 1 All workplace practices must comply with current legislation, codes of practice, and documented site safety procedures for personal, product, and worksite safety.
- 2 Legislation and regulations relevant to this unit standard may include but are not limited to – Health and Safety in Employment Act 1992, Health and Safety in Employment Regulations 1995, NZS 3610:1979 *Specification for profiles of mouldings and joinery*; and NZS 3619:1979 *Specification for timber windows*, available from <http://www.standards.co.nz>.
- 3 Evidence is required of specifications for three different glass, joinery or joinery related items produced in the candidate's workplace.

Outcomes and performance criteria

Outcome 1

Interpret specifications for the production of glass, joinery, or joinery related items.

Performance criteria

- 1.1 Requirements of relevant standards are identified and described in terms of their impact on the production of glass, joinery or joinery related items.
- 1.2 Requirements are matched to the job brief and any variances recorded in accordance with workplace practice.

Outcome 2

Interpret plans and determine materials required for the production of glass, joinery, or joinery related items.

Performance criteria

- 2.1 Plans are analysed to determine the quantity of materials required to meet the job brief.
- 2.2 Plans are matched against the job brief and any variances recorded in accordance with workplace practice.
- 2.3 Materials required for the job are listed, costed and agreed with the customer in accordance with workplace practice.

Outcome 3

Produce a sketch and cutting list for the production of glass, joinery, or joinery related items.

Performance criteria

- 3.1 Plans are analysed to determine the requirements for the sketch and to meet the job brief.
- 3.2 Sketch is produced and matched against the job brief, and any variances recorded in accordance with workplace practice.
- 3.3 A cutting list is drawn up in accordance with workplace practice.
