Australian Qualifications Framework Details

Unit of Competency Code	RIIOGD305D
Unit of Competency Name	Apply blow out prevention operational procedures
Developer	PwC's Skills for Australia

Guidance Information

- 1 The Australian unit of competency can be accessed using this link [RIIOGD305D](#) *Apply blow out prevention operational procedures*. The RII Resources and Infrastructure Industry Training Package can be downloaded from [Training.gov.au](#). This standard has been listed on New Zealand's Directory of Assessment Standards as part of the Mutual Recognition of Vocational Education and Training Qualifications between Australia and New Zealand, and has been endorsed by MITO New Zealand Incorporated.
- 2 Memorandum of Understanding (MOU)
An MOU has been established between MITO and PwC's Skills for Australia (an Australian Skills Service Organisation performing its role on behalf of its allocated Industry Reference Committees). The MOU outlines moderation in New Zealand, the granting of consent to assess against standards to providers in New Zealand, and the provision for participation of the New Zealand industry in the review of this standard. Further information relating to consent to assess against and moderation of

this standard is outlined in MITO's Consent and Moderation Requirements (CMR) 0014.

- 3 All workplace practices must meet recognised codes of practice, documented workplace health, safety, and environmental procedures (where these exceed the code) for personal, product, workplace health, safety, and environmental matters, and the obligations required under current law including: the Health and Safety at Work (HSW) Act 2015; HSE Regulations 1995; HSW (Mining Operations and Quarrying Operations) Regulations 2016; Health and Safety at Work (Petroleum Exploration and Extraction) Regulations 2016; Resource Management Act 1991; Conservation Act 1987; Environment Act 1986; Hazardous Substances and New Organisms (HSNO) Act 1996; HSNO (Personnel Qualifications) Regulations 2001; and their subsequent amendments.

Planned review date	31 December 2024
