### Guidance Information

- 1 All learning and assessment leading to this unit standard must be carried out in accordance with the following as relevant:
  - legislation including the Health and Safety at Work Act 2015, Health and Safety at Work (General Risk and Workplace Management) Regulations 2016, Accident Compensation Act 2001, and subsequent amendments;
  - *Working Safely in the Occupational Diving, Snorkelling, and Free-Diving Industries – A Guide for PCBUs* (WorkSafe, March 2020) and any supplementary publications, or any subsequent editions;
  - industry technical and safety criteria.
- 2 Definitions
 

*Clients* refer to individuals who are certified as open water divers.

*Diving* refers to scuba, breath hold diving and snorkelling.

*Industry technical and safety criteria* refer to dive instruction, supervision and performance being carried out in accordance with the standards, procedures and training materials of the respective dive training agency. The agency must meet or exceed the World Recreational Scuba Training Council training standards.

*Instruction* refers to the candidate instructor's act of imparting knowledge or skills as per industry technical and safety criteria.
- 3 Assessment against this unit standard may be undertaken in simulated conditions.

---
