Guidance Information

- 1 The Australian unit of competency can be accessed using this link [RIIRIS601E](#) *Establish and maintain the risk management system*. The RII Resources and Infrastructure Industry Training Package can be downloaded from the National Register, for the Vocational Education and Training (VET) Sector website (training.gov.au). This standard has been registered on New Zealand Qualifications and Credentials Framework ([NZQCF](#)) as part of the Mutual Recognition of Vocational Education and Training Qualifications between Australia and New Zealand.
- 2 **License for Use**
PWC Skills for Australia are developers of the Infrastructure Industry Training Package.
All units of competency found in Australian training packages are owned by the Commonwealth of Australia. The Australian Government Department of Employment and Workplace Relations (DEWR) has issued a license for use to Hanga-Aro-Rau Manufacturing, Engineering and Logistics Workforce Development Council. This means approved providers are permitted to use this unit of competency as is - that is, without modification.

Further information relating to accreditation and moderation of this standard is outlined in CMR 0014. For further information about this license go to: [Deed - Attribution-NoDerivs 3.0 Australia - Creative Commons](#).

- 3 Hanga-Aro-Rau acknowledges the Australian Government as a condition of this license with the following statement:

“© 2024 Commonwealth of Australia. This material does not constitute nationally recognised training and/or assessment leading to issuing an Australian Qualification Framework qualification.”

- 4 All workplace practices must meet recognised codes of practice, documented workplace health, safety and environmental procedures (where these exceed the code) for personal, product, workplace health, safety, and environmental matters, and the obligations required under current law including:
- Health and Safety at Work Act 2015;
 - Health and Safety at Work (General Risk and Workplace Management) Regulations 2016;
 - Health and Safety at Work (Worker Engagement, Participation, and Representation) Regulations 2016;
 - Health and Safety at Work (Mining Operations and Quarrying Operations) Regulations 2022;
 - Health and Safety at Work (Hazardous Substances) Regulations 2017;
 - Resource Management Act 1991;
 - Conservation Act 1987;
 - Environment Act 1986;
- and their subsequent amendments.
