Explanatory notes

1 References

Enactments and codes relevant to this unit standard include but are not limited to the: Food Act 1981 and the Food Act 2014; Health and Safety in Employment Act 1992, which will be replaced by the Health and Safety at Work Act 2015 when it becomes effective on 4 April 2016; Resource Management Act 1991; Resource Management Act 1991; Food (Safety) Regulations 2002; Food Hygiene Regulations 1974; and the Australia New Zealand Food Standards Code, available at www.foodstandards.govt.nz/.

2 Definitions

Commercial bakery means a craft, plant, or in-store/franchise bakery.

Workplace procedures refer to procedures used by the organisation carrying out the work and applicable to the tasks being carried out, such as recipes, production specifications, standard operating procedures, site safety procedures, equipment operating procedures, codes of practice, quality assurance procedures, housekeeping standards, and procedures to comply with legislative and local body requirements.

Quality specification is a detailed description that defines the required characteristics of a baked product and may be communicated in writing, verbally, or by using photographs.

3 Range

Any six of – iced banana cake; carrot cake finished with cream cheese icing and decorated; chocolate cake in slab form, iced and cut into even pieces; batch of six muffins using the muffin method; batch of six friands finished and flavoured; traditional Madeira cake, finished and flavoured; batch of six fruit loaves made in rectangular cake loaf tins or 'bake in the box' containers.

Corrective actions may include – rework, rectify, process, recycle, isolate, discard

Consent and Moderation Requirements (CMR) reference	0013
---	------

This CMR can be accessed at http://www.nzqa.govt.nz/framework/search/index.do.

Please note

Providers must be granted consent to assess against standards (accredited) by NZQA, before they can report credits from assessment against unit standards or deliver courses of study leading to that assessment.

Industry Training Organisations must be granted consent to assess against standards by NZQA before they can register credits from assessment against unit standards.

Providers and Industry Training Organisations, which have been granted consent and which are assessing against unit standards must engage with the moderation system that applies to those standards.

Requirements for consent to assess and an outline of the moderation system that applies to this standard are outlined in the Consent and Moderation Requirements (CMR). The CMR also includes useful information about special requirements for organisations wishing to develop education and training programmes, such as minimum qualifications for tutors and assessors, and special resource requirements.
