-----------------------	------------------------------

Available grade	Achieved
------------------------	----------

Guidance Information

- 1 Legislation and regulations relevant to this unit standard include but are not limited to:
 - Animal Welfare Act 1999;
 - Health and Safety at Work Act 2015;
 - Resource Management Act 1991;
 - relevant codes of welfare.
- 2 Welfare codes for all types of livestock are available from <http://mpi.govt.nz>.
- 3 Definitions

Farming operations in this context may include but is not limited to feeding livestock, animal health procedures, shearing, velveting, weighing livestock, buying and selling livestock.

Production targets refer to the quantified output for a livestock farm for a defined period, which may include but is not limited to production units for - weight gain, condition score gain, livestock carrying capacity, milk production, meat production, wool production, or velvet production.

Workplace procedures refer to verbal or written instructions to staff on procedures within a farming operation.
- 4 Assessment for this unit standard should be achieved in the context of a specific farming operation. Examples of contexts include beef, dairy, deer, goats or sheep.
- 5 Learners must implement an existing farming livestock production plan that they may or may not have been involved in creating.

Outcomes and performance criteria

Outcome 1

Implement and monitor a livestock farming production plan.

Performance criteria

- 1.1 Implement day to day livestock farming operations and regulatory requirements that influence production targets in accordance with the plan.
- 1.2 Implement adjustments to day to day livestock farming operations and regulatory requirements in accordance with changes to the plan.
- Range changes to the plan may take place as a result of updated production targets and other variables such as seasonal conditions, product price fluctuations, market conditions.
- 1.3 Maintain records according to workplace procedures.
- 1.4 Monitor and regularly report on progress against the plan according to workplace procedures.

Planned review date	31 December 2024
