Guidance Information

- Glossary**

Emotions (ngā kare ā roto) refer to a strong mental or instinctive feeling, emotional susceptibilities or sympathies.

Mātauranga Māori refers to a view held by Māori of their natural world, and their place within it.

Māori cultural practices may include but are not limited to: whakamā, aroha, pūhaehae, mākutu, whakamomori, haka, tangi.

Tikanga refers to the appropriate or right ways or practises that are associated with the human anatomy.

Ure tārewa refers to the male element in particular the reproductive organs, and the essence of masculinity.

Uwha refers to the female element in particular the reproductive organs, and the essence of femininity.
- Descriptions and explanations can be presented in a number of ways that may include but are not limited to: oral presentations, visual presentations, written presentations, whakaari, waiata, and haka.
