## Guidance Information

### 1 Assessment

This unit standard is one of a family of standards intended to align with the *New Zealand Certificate in Stonemasonry – Specifications*, and the *New Zealand Certificate in Stonemasonry (Level 4) with strands in Monumental Masonry, Construction Stonemasonry, and Natural Stone Fixtures and Fittings (with optional strands in Banker Masonry, and Conservation and Preservation)* [Ref: 2737].

Evidence for this unit standard must reflect commercial competence.

Commercial competence requires the candidate to demonstrate knowledge and skills in the context of the currently accepted requirements of a business operating in a commercial environment.

Commercial competence must be confirmed by a person who has current expertise in the stonemasonry trade.

### 2 Definition

*Workplace procedures* refer to the documented procedures specific to a workplace which sets out the standard and the required practices of that workplace, which may include workplace codes of conduct, workplace safety policies and management plans, job specifications, and building requirements.

- 3 Legislation and guidance information relevant to this standard includes the following, and any subsequent amendments and replacements:
- Health and Safety at Work Act 2015.
  - *New Zealand Building Code*, available from [Building Performance](#).
  - *New Zealand Certificate in Stonemasonry – Specifications*, Waihanga Ara Rau, February 2023, available from [www.waihangaararau.nz](http://www.waihangaararau.nz).
  - *Stonemasonry Best Practice Guide 2022*, available from New Zealand Stone Masons Association [New Zealand Stone Mason Association | Stonemasonry Best Practice Guide \(nzsma.co.nz\)](http://www.nzsma.co.nz).
