### Guidance Information

- 1 Legislation relevant to this unit standard includes but is not limited to:
  - Health and Safety at Work Act 2015; and any subsequent amendments.
- 2 Definitions
 

*Enterprise* – a specific entity which may be – in private, public, or community and volunteer sectors; a business, a separate unit within a larger entity, or a special-purpose body. It may form part of an organisation’s activities or it may constitute a complete organisation.

*Fixed asset* – an asset that is not consumed or sold during the normal course of business and is expected to last, or be in use for, more than one year. Fixed assets include land, buildings, equipment, machinery, vehicles, leasehold improvements, and other such items.

*Workplace procedures* – policies and procedures on safety and operation, and guidelines set down by the employer, host organisation, or codes for pest and disease control programmes. Workplace procedures should reflect organisation purpose and direction, risk management, sustainability, and current legislation.
- 3 For the purposes of assessment:
  - evidence submitted for assessment is based on evidence from authentic experience in an organisational context
  - evidence must be presented in accordance with workplace procedures.
