Guidance Information

- 1 Performance criteria must be consistent with:
 - Workplace procedures
 - Health and Safety at Work Act 2015.
- 2 Definitions

PPE refers to personal protective equipment which may include a bee suit and veil, gloves, boots, hive tool and smoker and fire extinguisher.

Workplace procedures refer to the policies and procedures set by the employer or organisation workplace safety, and beekeeping equipment use.

Understanding means that there should be evidence of a learner's thorough comprehension of a topic. A learner with a good understanding of a topic should have applied, or should be able to apply what they have learnt to a workplace situation and will be able to alter their practices to the different contexts they are applying their learning to. Assessors should be confident that the learner's understanding is embedded in their practices and behaviour.
