6 Machines may include – forklifts, earth moving equipment, grader equipment, loaders, dozers, tractors, agricultural equipment, dump trucks, prime movers; electric machines including – forklift, walk-behind pallet, ride-on pallet, reach truck, order picker, counterbalance truck, turret truck.

Outcomes and performance criteria

Outcome 1

Describe the requirements of multiple battery servicing.

Performance criteria

1.1 Multiple battery service requirements are described.

Range may include – disconnecting and connecting, handling, maintenance, testing, charging, coding.

Outcome 2

Describe traction batteries and their service requirements.

Performance criteria

2.1 Differences between traction batteries and automotive batteries are described.

Range construction, cell rating, terminal connectors.

2.2 Traction battery service requirements are described.

Range may include – connecting and disconnecting, handling, maintenance, testing, charging.

Planned review date	31 December 2022
