Guiding information

- 1 *English Language (EL)* refers to the acquisition of English as an additional language.
- 2 This unit standard is at a level comparable to the Common European Framework of Reference (CEFR) low B2. It is intended for learners with increasing independence in English. A structured overview of all CEFR related scales can be found at <http://www.coe.int/en/web/portfolio/overview-of-cefr-related-scales>.
- 3 This unit standard may contribute to the New Zealand Certificate in English Language (Applied) (Level 3) [Ref: 3667]. Assessment of outcomes must clearly reflect the context (employment or academic) being studied. The requirements of this standard are consistent with the *NZCEL Guiding Document*. This document includes guidelines relating to appropriate texts, task specifications and assessment conditions and can be found at <http://www.nzqa.govt.nz>.
- 4 All assessment activities must be conducted in English, which must not be the candidate's first language.
- 5 Candidates need to be given time to read any written instructions and questions before the listening task. Clarification of task instructions may be requested by the candidate, so long as this does not lead the candidate to the correct answer.
- 6 The assessor must be satisfied that the candidate can independently demonstrate competence against the unit standard.

- 7 It is recommended that:
- i the outcomes are assessed as part of an integrated unit of work, relevant to the learning context of the candidate;
 - ii assessment be conducted in conjunction with assessment against other English Language unit standards at this level.
- 8 Candidates may use a bilingual and/or an English dictionary, but not electronic devices to understand task instructions.
- 9 Candidate's responses may be oral or written or by non-verbal demonstration. If responses are oral or demonstrated, they must not be heard or observed by other candidates. Responses may contain minor phonological or linguistic inaccuracies, but errors do not obscure meaning. This standard assesses listening skills, not spoken, reading or written skills.
- 10 Spoken text for this unit standard:
- i must be a minimum of five minutes;
 - ii may include but is not limited to – interviews, discussions, meetings, practical transactions;
 - iii must be appropriate to the spoken mode, or a text which is designed for oral delivery;
 - iv must include extended turns and moderately complex lines of argument, where the topic is reasonably familiar;
 - v must include two or more speakers;
 - vi must be repeated once only;
 - vii must be delivered in clear and comprehensible speech;
 - viii can be listened to face-to-face, or in pre-recorded audio or audio-visual format. If audio-visual materials are used, these must not include large amounts of written text.
- 11 For the purposes of moderation, if the candidate's response is oral or demonstrated, the assessment must be recorded audio-visually. Recorded work must not be edited. Guidelines for digital visual submissions can be found in *Preparing digital visual submissions for moderation*, accessed at: <http://www.nzqa.govt.nz>.
- 12 Assessment support material for *English Language* unit standards can be found at www.nzqa.govt.nz.
- 13 Definitions
- Main idea* refers to the most important or central thought of a paragraph or larger section of text.
- Supporting details* refer to additional information that explains, develops or illustrates the speaker/writer's main idea, for example reasons, causes, examples.
- Specific information* refers to discrete items, for example dates, times, places, names, prices, percentages, numbers, measurements, acronyms, addresses (including web addresses).
