## Guidance Information

- 1 Legislation, regulations, references and/or industry standards relevant to this unit standard include but are not limited to the:
  - Health and Safety at Work Act 2015;
  - Land Transport Act 1998.

Any new, amended or replacement Acts, regulations, standards, codes of practice, guidelines, or authority requirements or conditions affecting this unit standard will take precedence for assessment purposes, pending review of this unit standard.

- 2 Definitions

*Chain of responsibility* refers to the chain of responsibility as outlined by Waka Kotahi New Zealand Transport Agency available at <https://www.nzta.govt.nz/commercial-driving/chain-of-responsibility/>.

*Service information* may include technical information for a vehicle, machine, or product detailing operation; installation and servicing procedures; manufacturer instructions; technical terms and descriptions; and detailed illustrations.

*Workplace procedures* refer to organisation policies and procedures that are documented in memo, electronic, or manual format and available in the workplace. They may include but are not limited to – standard operating procedures, site specific procedures, site safety procedures, equipment operating procedures, quality assurance procedures, product quality specifications, manufacturer's requirements, references, approved codes of practice, housekeeping standards, environmental considerations, on-site briefings, supervisor's instructions, and procedures to comply with legislative and local body requirements relevant to the commercial road transport sector.

- 3 Assessment information

Evidence presented for assessment against this unit standard must be consistent with safe working practices and be in accordance with applicable service information, workplace procedures and legislative requirements.

## Outcomes and performance criteria

### Outcome 1

Describe driver roles and responsibilities for the transportation of goods by road.

### Performance criteria

- 1.1 Driver roles and responsibilities for the transportation of goods by road are described in terms of organisational and legislative requirements.
- 1.2 The purpose of the chain of responsibility are described.
- 1.3 The consequences of failing to comply with the chain of responsibility are described.
- 1.4 The consequences of driver actions and their impact on operator performance are described.
